ATTENTION

Models from 1995 must be refitted with original fog lights and the steel bumper beam of the model 1994 when mounting front bumper.

It is necessary to registrate via single approval when mounting the wide body I kit with wheel/tire combination. The certification (§ 21) is possible at RIEGER.

15% BODY KIT DISCOUNT: You will receive a 15% body kit discount when ordering a complete RIEGER kit (consisting of Spoiler lip / bumper, side skirts set and rear skirt (s)-inserts each suitable for a vehicle model. The discount is granted only for RIEGER spoiler parts made of ABS plastic. It is only valid as a kit if the parts have all been chosen for the same vehicle type. To receive the estate, give the following code when ordering -15% BODYKITRABATT - with. The discount does not apply to „paint jobs“. The discount can not be combined with any other discounts.
